

State Health Resource Centre, Chhattisgarh

Memorandum of Association

1. **Name of the society** : State Health Resource Centre, Chhattisgarh
2. **Office of the society** : HIG-28, Sector 1, Shankar Nagar, Raipur-492001
3. **Objectives of the Society** :
 - 3.1. Serve as additional technical capacity to the Department of Health & Family Welfare, Government of Chhattisgarh and as a facilitating agency for civil society action, which includes:
 - 3.1.1. Designing the reform agenda in the health sector or related sectors in the state of Chhattisgarh.
 - 3.1.2. Developing operational guidelines for implementation of reform programme and arranging / providing on-going technical support to the District Health Administration and other programme managers in implementing this reform programme in the state of Chhattisgarh as provided for in the MoU between ActionAid India Society and Government of Chhattisgarh and to undertake other tasks for and on behalf of Government of Chhattisgarh, which may be assigned to it subject to such terms and conditions which may be mutually agreed upon from time to time.
 - 3.1.3. Producing quick situational analysis on various aspects of the health sector.
 - 3.1.4. Promoting Pro-poor reforms, which promote transparency, accountability and probity in governance.
 - 3.1.5. Prepare policy change proposals for the consideration of Government state or centre based on the situational analysis undertaken and/or specific studies undertaken by it or through individual experts / institutions,
 - 3.1.6. Perform such other tasks as may be assigned to it from time to time, provided it is consistent with the goals of the organisation and it is considered feasible and desirable to do so.
 - 3.1.7. Draw up the Terms of Reference (ToRs) for any consultancy contracts and/or for engaging individuals and/or institutions for short term and long term assignments as may be needed from time to time.
 - 3.1.8. Conducting workshops and meetings, as may be necessary, on behalf of the GOC or any civil society organisation for effective operationalisation of the reform process.
 - 3.1.9. Providing training and assisting in capability building in health and related areas
 - 3.1.10. Administer any facility or provide leadership or management or technical assistance for any facility or programme or project when requested to do so.
 - 3.2. Provide any or all of the above tasks for any other state government or national government with special emphasis on the EAG states.
 - 3.3. Assist any governmental or non governmental agency or social movement in any aspect of planning for health at any level from the panchayat level, the block level, the district, state or national levels,
 - 3.4. Undertake consultancies in any aspect of health or related sectors or any sector related to development and the fulfilment of basic rights of citizens.
 - 3.5. Undertake to implement programmes in health or related sectors or any sector related to development and the fulfilment of basic rights of citizens.
 - 3.6. Undertake to train and co-ordinate the implementation of programmes in the health or development sectors.
 - 3.7. Promote and participate in advocacy for any policies or programmes.
 - 3.8. Undertake to raise funds or undertake activities that can generate a funds.

The goal of the organisation is to contribute and strengthen all efforts directed towards attaining health for all primarily through ensuring universal access to the basic goods and facilities and services and working and living conditions that are necessary for the attainment of the highest levels of physical, mental and social health of all. Such a goal is interlinked with all efforts towards social development policies, which are equitable, sustainable and democratic. Such efforts shun all forms of discrimination and must necessarily reach out to the weaker and more marginalized sections of society and empower them so that they are equal participants in their own development and destiny.
