

# **ANNUAL REPORT SWASTH PANCHAYAT YOJNA, COMMUNITY BASED MONITORING (APRIL 2015 TO MARCH 2016)**

## **Swasth Panchayat Yojana:**

- Continuous supportive supervision being provided to strengthen village health planning at Panchayat level.
- The 6<sup>th</sup> Swasth Panchayat survey was conducted in May-June 2015. The collected data were entered, analyzed and the ranking of the Panchayats was done as per the Human Development Index.
- Under this initiative, 438 Panchayats (top scoring 3 Panchayats from each block) were selected for award. In most cases, awards have been given in public functions. In District Raigarh, awards were distributed to Gram Panchayat by honorable Chief Minister of the state.

**i) Swasth Panchayat Sammelans:** These gatherings provide platform to the Mitanins, VHSNCs, PRI members to raise the issues and gaps in health services and social determinants. The sammelans also help in demanding accountability from district/block officials. So far, Sammelans have been organized in 135 Blocks of the state. Remaining will be completed in first quarter of 2016-17.

## **ii) Community Based Monitoring:**

- Community Reported Deaths 2014 report shared with government
- Death reporting – around 90000 deaths recorded in 2015 compiled along with community-reported cause (analysis and report being compiled)
- Community feedback report (Round 4) under compilation - on services of VHND, ANM and sub-centre, PHCs.
- User feedback on services of CHC, District hospitals through exit interviews collected – analysis in progress
